

**DAV PUBLIC SCHOOL**  
**BRS NAGAR, LUDHIANA**

Dear Parents  
Namaskar!

Timely arrival of the students in the school is very important but it cannot be done by ignoring the safety aspects on the roads around the school.

It has been observed that many parents drop their wards on the opposite side of the road in front of school Gate No. 1, 3 & 4. In that case, children have to cross the road to enter inside the school by facing the incoming traffic. Same practice is repeated by the parents at the dispersal time, creating lot of chaos at the school gates.

Keeping the safe arrival and dispersal of the students at top priority, school has taken some strict decisions.

Please note -

- 1) **Parents' Drop Points in the morning - Gate No. 1 and 2 only.**
- 2) No car / two-wheeler of the parents will drop children at gate no. 3 (Temple side) and gate no. 4 (Canal Side).
- 3) **Parents' Pick-up Points at dispersal time - Gate No. 1, 3 and 4.** Parents must park their vehicles properly along the boundary wall and not on the opposite side of the road.
- 4) Gate No. 2 is for the exit of school buses only at dispersal time.
- 5) Parents are humbly requested to drop their wards five minutes in advance. It is always wise and safe to start well in time than drive rash and reach in the nick of time.
- 6) Parents must reach Gate No. 1, 3 or 4, few minutes before the dispersal time to pick their wards and leave, so that children safely go back home well in time.

School authorities are taking all precautions for the safe boarding of the children in the buses parked inside the school compound. We further seek parents help in giving strict instructions to their wards to avoid unnecessary movement and running around in the school playground at the dispersal time.

***REMEMBER - SAFETY SAVES***

Seeking your cooperation,  
Educationally Yours
