Coffee With Principal

Dear Parents
Namaskar!

The parents and the school are the stakeholders in the education of a child. It's really important that parents and the school work in tandem, ensuring compliance to all the norms, so as to make it easy for the students to concentrate on their academic tasks and produce the desired results. We appreciate excellent performance of our students and look forward to collaborate with you to help them further improve their results as we strongly believe that every good can be made better and better the best.

Keeping this in mind, we cordially invite you to a meeting, 'Coffee with Principal' on **Saturday, 23rd November, 2024 at 9:00 am** in the school 'Conference Hall' for detailed discussion on strategies to align the potential of our young learners to their desired goals and produce successful individuals capable of handling the challenges of real life.

Looking forward to your presence on the appointed day.

With warm regards

(J.K. Sidhu)
