

## **DAV PUBLIC SCHOOL**

**BRS NAGAR, LUDHIANA**

### **Advisory for the Students**

Dear Parents

Namaskar!

In the wake of rising cases of COVID in the country, you are hereby requested to ensure compliance to the following guidelines -

- Any student having flu or flu-like symptoms should refrain from attending school for a few days. This will help us contain the spread of symptoms.
- You are requested to ensure that your ward wears a good quality mask while travelling in the buses as well as while attending the classes. A sincere compliance will ensure the safety of one and all on the campus.
- We seek your help to educate your wards to frequently wash their hands for maintaining personal hygiene. You may provide a small bottle of hand sanitizer also.

Your cooperation is solicited to keep the virus at bay and ensure good health of all. Together we can fight the virus and stay safe!

Thanks and Regards

J.K. Sidhu

Principal
