Dear Parents

Namaskar!

Hope you and your family members are doing good and we at DAV Public School pray for the wellbeing of the entire humanity.

We all are passing through very difficult times and unfiltered news from various sources create fear and confusion in our minds. In this scenario, factual and authenticated information from the experts from the Medical field can clear our doubts and help us dispel the myths. It is time to act responsibly to safeguard self and others so as to flatten the curve and propagate ownership of strategies to contain the disease and prevent the next wave.

Feeling the urgent need to shed some light and get answers to the queries pertaining to COVID-19, the school is organizing an **'AWARENESS TALK'** on **'MYTHS ABOUT COVID-19'** by Dr. Neelam Sodhi and Dr. R.S. Sodhi on **1st June 2021 at 3:30 PM for the students of classes XI and XII and their parents.**

Kindly join us through Zoom Cloud Meetings App and/or Live YouTube streaming to make this endeavour of ours a success in the interest of all.

Look forward to your presence in this informative session.

Thanks and regards

JK Sidhu
