DAV PUBLIC SCHOOL

BRS NAGAR, LUDHIANA

Dear Parents

Namaskar.

The online teaching has started in full swing after the summer vacation. I hope your ward/s are attending the classes and enjoying the learning experiences they are getting through these classes.

I am pleased to share with you that **10 (ten) students of class X of our school have cleared the first round of the most prestigious scholarship exam – NTSE, this year.** It is the maximum number of successful students from a school this year. We, at DAV, are feeling really elated & proud, and I heartily congratulate the students, proud parents and the teachers for this stupendous achievement. In spite of the difficult times we all are passing through, we will keep repeating such feats in future, with the grace of God and with the kind patronage of our DAV Management and the support of worthy parents.

Our spirits are undaunted in this Corona era and we'll provide enriching experiences of learning & growing to all our students. The school is going to organize a variety of inter-class/ inter-house competitions for all the students. Hobby Club meetings are also going to be resumed w.e.f. 8th July so as to cater to the varied interests and demands of our students. The list of clubs will be soon shared with you, with a request to make your wards choose any one of the Hobby Clubs and participate enthusiastically to widen their knowledge and skills.
