

**DAV PUBLIC SCHOOL**  
BRS NAGAR, LUDHIANA

Dear Parents

We hope this message finds you well.

Learning has shifted its base but not its pace. Our students must be given the opportunity to grow and groom themselves and we are aware that we always deliver the best to them. We bring to you a unique and first of its kind program in collaboration with ReFocus Behavioural Services, Ludhiana.

This program focuses upon students of Psychology and prepares them as 'Ambassadors of Behavior Change' not only for themselves but also for their peers, family members and the community. We believe with this program being implemented, students will get access to a larger platform where they are able to influence a majority, considering their exclusive skill set.

The key features of the program are -

- Mentorship in an individual and group setup
- Advances reformative, positive, and desirable behaviors among the students
- Assistance in emotional development
- Target behaviour reached by behavioral modification strategies

There will be monthly group interactive - training sessions by experienced mental health professionals. Provision of educational visits of Psychology students to places of professional interest will also be ensured, as per the situation.

There is a one time fee for the entire year @ Rs. 2000/- only, payable prior to enrolment.

This is an amazing opportunity for our students to learn to be great professionals, however, enrolment is not mandatory. If you wish to enroll your ward, please fill the form by clicking at the following link, latest by 31st July, 2021.

<https://tinyurl.com/bca-dav-brs-ldh>

Please inform Ms. Kamaldeep Kaur, PGT Psychology at 9872306029 after the registration. Also, please feel free to get in touch with her for any queries regarding the program.

Thanks and Warm Regards

JKSidhu

Principal
