

Circular No. P – 18/21

Dated: 02.08.2021

## DAV PUBLIC SCHOOL

BRS NAGAR, LUDHIANA

Dear Parents

Hope you and the members of your family are doing well.

We have been requested by the students of classes XI and XII to reduce their school timings by minimizing the gap between two periods and scrapping off the recess time, in order to get more time for self-study. Keeping in mind this genuine request of our students, we are bringing about minor changes in the Time Table without reducing the number of teaching periods per day. The ten minutes' gap between the periods has been reduced to five minutes and the recess is also going to be of ten minutes only, with effect from tomorrow.

The school timings will be 8:00 am to 12:30 pm now.

Kindly make your wards reach for the offline classes in the school in time (Monday, Tuesday, Thursday and Friday). They will get the much needed inputs from their teachers about the changed system of assessment released by the CBSE.

You are requested to regularly make the payment of school fee of your ward to avoid last minute rush. You can make monthly payment also in case you are facing any problem.

Hoping for your full support as always.

Regards

Educationally yours

JK Sidhu

Principal
