DAV PUBLIC SCHOOL

Dear Stakeholders

Warm Greetings!

I feel delighted to share with you the digital version of **AVIRAL 2021-22 - the annual school magazine.**

The magazine encapsulates all those ecstatic moments that buoyed our spirits and gave us reasons to celebrate the academic and co-curricular achievements of our children in spite of reeling under the pandemic and the curbs thereof. The document reflects the very essence that marked the vibrancy of the session gone by.

Covering the entire academic spectrum made the file a bit heavy. This file of 1 GB takes a bit longer to download, if opened on an Android/Apple phone. Opening it on a laptop or desktop shall provide a better visual experience.

Hope the magazine finds a discerning eye and whets your appetite for the upcoming magazine of the current academic year, which happens to be our 40th year of excellence, pride and glory. See you with more of creativity, expression and adventure in the Ruby jubilee edition.

Let's enjoy the continuum-the AVIRAL in all its hues.

Educationally yours,

Jaswinder K Sidhu
Principal
