

Circular No. P- 26/21

Dated: 30.08.2021

DAV PUBLIC SCHOOL
BRS NAGAR, LUDHIANA

Dear parents

Namaskar.

Wish you all a very Happy Krishna Janamashtami.

We are glad to receive positive response from the parents to the Offline Revision Tests planned by the school for Board Classes, so as to give ample practice to our students in the changed pattern of examination proposed by the CBSE.

We have received requests from some of the parents for allowing the students to go back home after taking the offline test and the same is being granted keeping in mind some genuine concerns of the parents. You are requested send written information to the class teacher of your ward that you will reach the school in time (by 8:40 am) to pickup your ward for taking him/ her home. This is very important so that the students do not keep waiting at the school gates and wasting their precious time.

Only those students will be allowed to go back home after the test whose parents will send in writing to their class teachers.

Look forward to presence of all the students as per their turn in these revision tests to prepare effectively for appearing in Term-1 Examination with confidence.

Thank You

Educationally yours

Principal
