**BRS NAGAR, LUDHIANA**

Dear Parents  
Namaskar

Through this circular we seek the kind attention of our worthy parents regarding the issue of non-payment of the school fee of their wards in spite of our repeated requests. As per the State Govt. orders, the school started offline (face to face) teaching w.e.f. August, 2021, but continued with the online classes also. Term – I, Mid Term, Revision Tests and Pre-Boards etc. have been conducted for different classes at the stipulated time. These days, school is conducting CBSE Term –I exam of classes X and XII and running classes also in blended mode.

School transport facility was provided w.e.f. 1<sup>st</sup> October, 2021. At present more than 90% of the students are attending offline classes in the school, still we provide online class facility to the remaining students. Almost all the academic, co-curricular and sports activities are being conducted by the school regularly.

Despite our best efforts to provide holistic education to the students, the school is not getting positive response from large number of parents regarding the school fee of their wards, even after repeated requests sent by the school and phone calls made by the class teachers. All the parents are now given the final call to deposit the pending fees of their wards for the session 2021 – 2022 by 15<sup>th</sup> December, 2021 positively so that our fee accounts are settled and we are able to run the school efficiently.

I personally request you to financially support the education of your wards by clearing the pending dues at the earliest.

Hoping for your favourable response.

Yours Sincerely

Principal
