Dear Parents  
Namaskar.

I am very happy to share with you that with the active support of District Health Authorities, we were able to vaccinate **more than 400 students in the 1<sup>st</sup> phase of Vaccination Camp** held in the school today. The camp was inaugurated by Dr. S.P. Singh, Civil Surgeon, Ludhiana. Dr. Puneet Juneja, SMO, incharge KumKalan, helped us a great deal in organizing the camp. Sh. Rakesh Jain, senior member of the school LMC also visited the camp and appreciated the arrangements, and the team spirit with which the staff members were working to make the camp successful. We are thankful to the parents who came forward for the vaccination of their wards and strengthened the hands of Distt. Administration in tackling the COVID situation more effectively.

Keeping the request of some more parents in mind and with the kind support of the District Health Deptt., **we are ready to organize the 2<sup>nd</sup> phase of the free Vaccination Camp on 07.02.2022 (Monday) in the school campus** for the students of classes IX to XII who are falling in the age bracket of 15 to 18 years.
