

DAV PUBLIC SCHOOL
BRS NAGAR LUDHIANA

Dear Parents

Namaskar.

This is for your kind information that as the 2nd Pre Board Examination of class X is going to start from 21st March (Monday), so keeping in mind the demand of many students the school has decided to grant preparatory holidays to the students from 16th to 19th March, 2022.

The marks scored by the students in Term I examination have been informed to them. Now all the students need to focus on their preparation for Term II examination, which unlike Term I are going to be descriptive in nature. The students must practice writing detailed answers, building up accuracy and speed too, so as to have good performance in the upcoming Pre Board and Board exams. Even the exceptionally good scores in Term I should not make any students over-confident and should not alienate them from working hard for Term II, because CBSE has not yet announced the weightage of both the terms for calculating the final result of the class.

One should always keep in mind – *there's no alternative to hard work.*

Those students who still need their teachers' help to revise or reteach any of the topics can come to school from 9:30 am to 1:00 pm by using school transport.

With Best Wishes to all the students,

Yours sincerely

Jaswinder K Sidhu

Principal
