

**DAV PUBLIC SCHOOL**

BRS NAGAR, LUDHIANA

Dear Parents  
Namaskar!

With reference to CBSE circular CBSE/LOC/2023-24 dated 17/08/2023, kindly note the process of computation of **Class X Board Examination Result** for the session 2023-24. The scheme of subjects is given here for your information.

**Scheme of Studies**

Subjects		Name of Subjects
Compulsory	Subject 1	Language 1
	Subject 2	Language 2
	Subject 3	Mathematics
	Subject 4	Science
	Subject 5	Social Science
Optional	Subject 6	Skill Subject (Anyone of AI, IT, IFM)
	Subject 7	Language 3

- In our school we consider English Language and Literature (Subject code 184) as Language 1. Language 2 and Language 3 are chosen by the students out of Punjabi and Hindi Course-A.
- If a student fails in any one of the three compulsory academic subjects (i.e. Mathematics, Science and Social Science) and scores passing marks in the Skill Subject (offered as 6<sup>th</sup> optional subject) then that particular compulsory subject will be replaced by the Skill Subject and result of Class X Board Examination will be computed accordingly.
- If a student fails in any language offered at No. 1 and 2 out of the first 5 subjects, then the same will be replaced by language taken as 7<sup>th</sup> subject (Optional) provided he/she has taken up the 7<sup>th</sup> subject and has passed 7<sup>th</sup> subject (Language 3).
- It has always been a practice with the school to calculate total marks scored by a student by taking the marks scored in the first 5 subjects. We never calculate total marks by considering the best 5 scores.

This detail is being shared with you for your information and necessary action regarding selection of Language 2 and Language 3 as per your ward's choice. In case of any query please talk to the class teacher of your ward.

Thanks and Regards

(Mrs. J.K. Sidhu)  
Principal
