

DAV PUBLIC SCHOOL

BRS NAGAR, LUDHIANA

Dear Parents

Namaskar

I am pleased to share with you that we have got the teachers' time table linked with the FeeBank app, which you are familiar with. Now all the teachers from class III to XII will start their daily online classes on Zoom portal directly through this app. Students will be able to join the classes as per their time table from the FeeBank app itself.

The steps to be followed are explained below:

1. Kindly login to your Feebank app on your mobile or open FeeBank in the browser on your desktop/laptop.
2. Go to the 'Timetable' Module.
3. In the 'Timetable' module, choose the day and all the scheduled periods for that specific day will be visible to you.
4. A six digit Meeting Password can be found right next to the 'Join Meeting' Button. Copy it or note it down.
5. Click on the 'Join Meeting' button for the period that is about to start. It will lead you to the Zoom portal.
6. Paste or type the six digit password in the Zoom window, submit it and you will be able to join the class.
7. The same steps are to be followed by the students every time they have to join their classes as per the time table. Class teachers/subject teachers will not schedule and send the meeting links separately now onwards.

Click on the link below to see the steps in the video:

In case of any query, you can talk to the class teacher of your ward.

Thank you

Yours sincerely

JK Sidhu

Principal
