DAV PUBLIC SCHOOL
BRS NAGAR, LUDHIANA

Dear Parents
Namaskar

We at DAV highly appreciate the sense of responsibility shown by the parents of children in the age group 15 to 18 years regarding the vaccination of their wards in the vaccination camps organised by the school.

As we all know that Government has started with vaccination drive for children of age group 12 to 14 years also, it is our collective responsibility to get our children vaccinated and ensure their safety.

We are planning to organize 4th Vaccination camp in our school in the coming days, in association with District Health Department. The 'Corbevax' vaccine is available with Government Health Department only at present and not being administered in any Private hospital.

We seek your consent in this regard so that proper planning can be done for smooth conduct of the said camp.

DAV's Slogan - "No Hesitation, For Vaccination"

Yours sincerely
