

**DAV PUBLIC SCHOOL**  
**BRS NAGAR, LUDHIANA**

Dear Teachers

You are all aware that we are reopening the school for all classes w.e.f. 09<sup>th</sup> August, 2021 and we have received good response from the parents of different classes. It is our moral responsibility to maintain 'Covid Responsible Behaviour' at all times and be a role model for the students and parents. In this regard, you are hereby instructed to take care of the following points -

1. To wear good quality, preferably an N-95 mask.
2. Wash your hands frequently.
3. Maintain proper 6 ft. distance from each other as well as from the students.
4. Teachers are advised to wear Face Shield also while taking offline classes.
5. Teachers will not take their food in the classroom, but supervise the students during recess.
6. You are advised to take your meals separately in the staff rooms while maintaining proper distance from each other.
7. Teachers of Pre-Primary and Primary wing should avoid touching any child physically for any reason.
8. All the teachers are advised to maintain daily attendance of the students for both online and offline presence.
9. Teachers must perform their duties very effectively to send off the students after school. House-in-charges must share the duty lists with the HODs for the next two weeks.
10. All the class teachers will sit in their respective classrooms during their free periods, otherwise they will move from class to class as per the timetable.

11. Non-class teachers are being divided into different faculty rooms (list attached), so that students' activity in all the nooks and corners of the school is under the watchful eyes of the teachers.

12. Punctual reporting in the school, proper dressing up, all communication and instructions in English, are some of the pre-requisites for the worthy staff members of this elite institution, and do not require any reminders.

Hoping for a smooth functioning of the offline school.
