

DAV PUBLIC SCHOOL

BRS NAGAR LUDHIANA

Dear Parents

Namaskar.

We wish to thank you for your continuous support throughout the school year. We appreciate your efforts in assisting your ward by bringing them to school for offline classes, which boosted our morale and helped us build stronger bonds with our students.

With students coming for offline classes, life is back on the campus. The students are happy attending offline classes and getting an opportunity to meet their teachers and classmates in person. At the same time, this has increased our responsibility and there is greater need to be vigilant to ensure safety of one and all. **This is a shared responsibility of students, parents, teachers and school administration to follow COVID protocol at all times.**

Please note -

1. All our staff members are fully vaccinated and wear masks.
2. We request the parents also to get vaccinated for everybody's safety.
3. We request you to strictly instruct your child to wear mask at all times while in the school.
4. You should also wear mask when you come to drop or pick your ward.
5. The dispersal timings of students are kept staggered, by first sending the students going back by buses and then those going with their parents.

Parents coming to pick their wards by cars/two wheelers are **requested not to reach the school gates before 1:15 pm in any case, to avoid overcrowding at the school gates.** Your wards will be available at the gates as per the following schedule:

Departure timings	Gate No.	Classes
1:15 pm	3 (Temple side)	III, IV, V, VI and VII
1:15 pm	4 (Canal Side)	I, II, VIII, IX and X

We seek your full cooperation in following the COVID protocol for the safety of our dear students.

School is reaching out to your wards through offline as well as through online teaching for all the classes on daily basis. Hobby classes/ clubs, activities, competitions and Olympiads etc. are also being conducted to meet the needs of holistic approach to education. We expect your full cooperation in the area of paying school fee of your ward/s without any delay. Kindly support us, so that we keep playing our role as teachers, guides and mentors to your children without fail.

We would also like to share with you that the Online Registration for Admission to class Nursery (Pre-KG), Session 2022-2023 is going to start from 11th October, 2021. Parents desirous of registering their younger child for admission can visit the school website – www.davbrsnagar.org for detailed information.

Thank you.

Educationally yours

Principal
