Dear Parents

Namaskar

We are happy to welcome our students back on campus from 12th August and appreciate the faith shown by the parents in the school system. We seek your support and cooperation for making your ward's stay and experience of coming to school safe, productive and enjoyable.

In continuation with Circular no. 20/21 dated 5th August, please note the following points for the safety of your child:

Uniform for Girls: Check skirts, fawn shirts and long dark blue stockings (with two plaits with maroon ribbon in case of long hair, and girls with short hair must wear a maroon hair band.)

- The students will bring cut/chopped/sliced non juicy fruit in their tiffin on the first day and sandwich/rolled stuffed parantha on the second day. They must carry their own water bottles and a paper soap/sanitizer.
- Please note the respective Gate Nos. for dropping and picking your ward:
