

DAV PUBLIC SCHOOL
BRS NAGAR, LUDHIANA

Dear Parents

Greetings from DAV!

This is to inform you that our school has always been following all the rules and regulations framed under 'Safe School Vahan Scheme' implemented by the State Government. Under this scheme auto-rickshaws are not allowed as a means of transport for school students, but we have seen many of our students using auto-rickshaw for commuting to the school. Please note that auto-rickshaws are not allowed.

You are hereby requested to ensure that your ward does not commute to school by an auto-rickshaw, rather use the school bus facility only. You can contact Mr. Joginder Singh, school transport in-charge for any help in this regard.

Further the parents whose wards are availing service of school bus are requested to inform the driver of the bus if they personally pick their ward from the school before the dispersal time, so that the driver does not keep waiting for the child.

(J.K. Sidhu)
Principal
