

DAV PUBLIC SCHOOL
BRS NAGAR, LUDHIANA

Dear Parents
Greetings from DAV, BRS Nagar!

Summer Break has started for the students w.e.f. 1st June, 2022 and we have planned to occupy the energetic minds through fun filled activities and little academics while staying at home. The school stopped printing Holidays Home Work booklets for sharing with the students almost eight years back and instead started sharing the homework through the School Website. The simple logic behind it is to **save the green cover** and **to reduce our carbon footprints**. We are thankful to you for supporting the green initiatives of the school.

Please note:

- The Holidays Home Work has been designed to gainfully engage the students.
- Reading is an integral part of the Home Work, so encourage your wards to read books. This time parents are also requested to read books along with their wards and be good role models for them.
- Holidays Home Work carries a lot of academic importance and in order to encourage the students to use their creativity and ingenuity, it has been decided to display the work of the students on the reopening of the school. The display will include Portfolios, Scrap Books, Art Integrated Activities in various subjects, Creative Writing and Art and Craft Work done by the students. Parents will be invited to the school to see the excellent work put on display to motivate the students for good work.
- Make your wards observe the things around them critically and take steps to bring about improvements wherever possible.
- The students of today are the future policy makers, so involve them in decision making and also make them accountable for their choices/decisions, as it will develop in them a sense of responsibility.
- If you are planning to go on a vacation then make your ward carry a pocket diary where he/she can note down his/her experiences/observations/learnings.

We are working with an aim to inculcate a good value system in the students and together we can achieve our goals easily.

Your Cooperation is solicited. Happy Vacation!

Yours sincerely

(J.K. Sidhu)
Principal
