

Circular No. P-21/22

Date: 11.07.2022

DAV PUBLIC SCHOOL
BRS NAGAR, LUDHIANA

Dear Parents
Namaskar

I wish to share with you that we used to run Abacus Training Classes for students of classes UKG to V before the pandemic. Parents were very happy that their children are learning Abacus in the school itself with the help of school teachers who are specially trained for imparting this skill. Now, on demand of parents, we are going to restart Abacus classes for the students of class UKG, I and II from July onwards.

There will be two periods for it every week. Each student will be provided Abacus instrument and a book. There will be regular assessments of all the students in the month of September, December and March.

These Abacus classes will help our tender minds to do calculations at much faster pace, develop better focus and concentration power, improve listening ability, develop imagination and visualisation skills too.

The fee for these classes is Rs.1300/- for full year and the same will be charged in the month of August, 2022.

I hope you will support this endeavour of the school

Educationally Yours

(J.K. Sidhu)
Principal
