

DAV BRS Nagar Holds Two Days Orientation Programme

DAV Centre for Academic Excellence under the aegis of DAV College Managing Committee, New Delhi is striving hard to keep the teaching staff in DAV Public and Model Schools, fine tuned to the latest developments in the educational scenario. In order to ensure effective implementation of training in DAV Institutions, Two Days Orientation Programme is being held at DAV BRS Nagar from 19th to 20th Sept., 2017.

The orientation programme was conducted by Mrs. Inder Mani Jain, Education officer of DAVCAE, DAVCMC New Delhi, where Regional Directors of Ferozepur, Patiala, Fazilka, Abohar and Ludhiana zones along with 34 Principals of DAV Schools of these zones were in attendance. The Resource Person Mrs. Inder Mani Jain explained the terms of training and highlighted Role and Relevance of continual In-Service Training. The delegates enthusiastically discussed about the parameters of quality assurance and role and responsibilities of various organizing and supervisory heads. The sole purpose of the workshop is to take the content of the training module to the actual class room for effective transaction of curriculum and to facilitate the students by making the tasks easier. It was a general feeling that the trainers need to be role models and it is pertinent for them to keep communication channels open for improvement.

The Regional Directors, Cluster Heads and the Principals were apprised of their role in making the in-service training programmes effective and useful to improve learning by students and thereby the results.

Day – 1
