

DAV PUBLIC SCHOOL

BRS NAGAR, LUDHIANA

All Science teachers are hereby informed that our school will be celebrating 'National Science Day' on 28.02.2025 to commemorate the birth anniversary of Sir C.V. Raman. This year's theme is "Exploring Science for a Sustainable Future".

To commemorate this occasion, we are organizing few activities and competitions amongst the Science teachers.

Competition Details:

1. *PowerPoint Presentation (PPT) Making Competition* (Venue for presentation - Auditorium)

Themes (Time Limit: 5-7 minutes)

1. Air Pollution - its causes, impact and prevention/solutions
2. Nutrition - the Backbone of Healthy Life
3. Technology - pros and cons

2. *Chart Making Competition* (Venue – Physics Lab)

Themes

1. Optics
2. Environment
3. Endangered species and their conservation
4. Bio-diversity

3. *Hands On Activities* (Venue - Lobby outside auditorium)

- Each teacher will perform any two activities related to Science to make the underlying principle come alive.

Participation and Judging Criteria:

- A panel of judges will evaluate the PPTs, charts, and performance in the activities based on creativity, content and presentation.
- The best PPT, Chart and performing activity will be uploaded on the school website and social media handles.

Interested teachers can give their names to Mrs. Malwinder Kaur by 20th February, 2025.

Look forward to your active participation and enthusiasm in making this event a success.

(J.K. Sidhu)
Principal
