A. "These Simple Things"

By Ruskin Bond

The simplest things in life are best-

A patch of green,

A small bird's nest,

A drink of water, fresh and cold,

The taste of bread,

A song of old;

These are the things that matter most.

The laughter of a child,

A favourite book,

Flowers growing wild,

A cricket singing in a shady nook.

A ball that bounces high!

A summer shower,

A rainbow in the sky,

The touch of a loving hand,

And time to rest-

These simple things in life are best.
