

# DAV PUBLIC SCHOOL

BRS NAGAR, LUDHIANA

Dated: 17/08/2020

Dear Parents  
Namaskar

Hope you all are safe and healthy.

September is just a few days away and it is time for Mid-term Examination. In the wake of Corona pandemic, as the schools are still not allowed to open, we have planned to conduct Mid-term examination through Online mode.

Many of our worthy parents might be of the view that Online examination should not be conducted as it might adversely affect the eyesight of the children. But we must understand that during this pandemic, conducting exams has become all the more important in order to maintain the seriousness of online teaching and learning, for the teachers need to know the effectiveness of the online classes and for the students to know how much they have been able to retain, while they are physically away from their teachers.

Conduct of examination and its results will let us know about the preparedness of our senior students for the Board examination, and at the same time it will equip our junior students with knowledge and confidence to carry on with further academic tasks on the reopening of the school.

We understand that long tests of three hours' duration will strain the tender eyes of the students, so it has been decided to conduct exams in two rounds. The syllabus for mid-term exam will be divided into two parts, each round carrying maximum 40 marks. Duration of the exam

in each round will be one and a half hours. First round of exams will start from 7th September, 2020 and the second round will be held from 24th September, 2020.

More weightage will be given to objective type testing than subjective/descriptive part. Syllabus for both the rounds, date sheet for the exam and other guidelines will be intimated soon.

We solicit your kind cooperation and support to your ward/s, so that there is no academic loss to our students due to the circumstances out of the pandemic.

With best wishes and regards!

Educationally yours

Jaswinder K Sidhu  
Principal
