DAV PUBLIC SCHOOL
BRS NAGAR, LUDHIANA

Dear Parents
Namaskar!

It has been observed during our routine checkup around the school that some of the students commute to school using their geared two wheelers and cars. We all are aware that –

- Children below the age of 18 are not eligible to get a driving license and so are not authorized to drive a vehicle.
- Traffic Police has every right to confiscate vehicles of such underage drivers and issue a challan that will debar them from getting a valid Driving License till the age of 25 years.
- Parents end up paying heavy fine of upto Rs.25000/- for allowing underage driving.

You are hereby informed that if any child will be found driving a vehicle around the school (except for non-geared vehicle that is permissible for the students of classes XI and XII) the information about the vehicle will be shared with the concerned officials for further necessary action.

We seek your co-operation for the safety of your ward and other road users.
