

DAV PUBLIC SCHOOL
BRS NAGAR, LUDHIANA

Dear Parents
Namaskar!

In today's world full of options and tough competition, it is a difficult task for the parents to find the right place for their ward to get education in their field of interest. Choosing the right college/university is really significant as it will not only affect the quality of education that your ward will get, but will also have long lasting impact on their career path.

We are delighted to share that Career Counseling cell of DAV Public School, BRS Nagar School, Ludhiana is organizing **II DAV Career Conclave** for the parents and students of classes X, XI and XII on our campus. This Career Conclave will provide an enriching experience to students who want to explore various career paths and learn about the opportunities available to them. With the participation of representatives from 40+ renowned universities and colleges of Indian and foreign origin, it will offer a diverse and comprehensive platform to get valuable insights into different fields of work.

We extend a warm invitation to the parents to accompany their ward and get benefitted from this Career Conclave. The details for same are as under:
