

DAV PUBLIC SCHOOL
BRS NAGAR, LUDHIANA

Dear Parents
Namaskar!

Subject: Supporting Students in Preparation for the Upcoming Mid-Term Examination.

Please find the date sheet for the Mid-Term Examination starting from 9th September, 2025 for classes III to XII. It is important that our students develop a disciplined routine that will help them perform to the best of their abilities. The role of parents/elders at home during this time is crucial in guiding and supporting children to remain focused and consistent in their preparation.

We seek your cooperation in the following areas:

1. **Study Schedule:** Kindly help your ward in preparing and adhering to a personal study timetable at home. A planned approach ensures adequate time for every subject and helps avoid last-minute stress.
2. **Healthy Lifestyle:** During the exam period, please avoid parties, late nights, or travel plans (including foreign trips), as these often disrupt the study rhythm and rest patterns that are vital for effective learning. Provide healthy home cooked meals to the children.
3. **Monitoring Screen Time:** We encourage you to keep a close check on the usage of phones, OTT platforms, and social media. Children learn best by example—your balanced use of technology will serve as a strong role model for them.
4. **Completion of Written Work:** Kindly ensure that your ward's notebooks are up to date and that written work is completed on time, as this helps in systematic revision and reinforces concepts.
5. **Balanced Routine:** Encourage your ward to take short breaks between study sessions, eat nutritious meals, and get adequate sleep. Late-night studying or excessive caffeine intake should be discouraged, as it affects focus and retention.
6. **Practice and Revision:** Motivate your child to solve previous years' papers, sample question banks, and attempt timed revisions to build confidence and improve writing speed.
7. **Attendance & Punctuality:** Regular school attendance during these days is very important as teachers are revising key concepts and clarifying doubts in class.
8. **Positive Home Environment:** Please maintain a calm and encouraging atmosphere at home. Avoid comparing your ward with peers - every child has a unique pace of learning. Gentle motivation works better than pressure.

Together, let us provide an atmosphere of focus, encouragement, and discipline that will enable our children to excel. Your cooperation and involvement are highly valued.

We wish all our students the very best for their upcoming examinations.

Warm regards

Principal
