**Dear Parents**

***Warm Greetings and Best Wishes for a very Happy New Year!***

As we step into the New Year - 2026, I take this opportunity to express my sincere gratitude for your unwavering trust, cooperation, and partnership in your child's educational journey. Your constant support and faith empower us to nurture our students not only academically, but also as responsible, compassionate and confident individuals.

The year gone by has been one of learning, growth, and collective effort. Together, we have strived to provide a safe, enriching, and value-based learning environment where every child is encouraged to explore, question, and excel. In the year ahead, we remain committed to strengthening holistic education by fostering curiosity, creativity, discipline, and strong moral values in our learners.

May the New Year bring happiness, good health and success to you and your family. Let us continue to work hand in hand to help our children realise their true potential and prepare them to face the future with courage and integrity.
