

**DAV PUBLIC SCHOOL**  
BRS NAGAR, LUDHIANA

Dear Parents  
Namaskar!

In today's era of complexities, where career choices range from medicine to mass communications, engineering to event management, marine biology to information technology, every field has become so diverse in itself that the confusion over career choices faced by the teenagers is understandable. This is mainly due to the fact that students are unable to analyze themselves and their hidden qualities, abilities and potential.

**WonderSkool** (a firm specializing in organizing 'career workshops' in various reputed schools in India) is now organizing the '**Career Awareness Program**' in DAV Public School, BRS Nagar, Ludhiana. This program for **class XII** students is based on **CAREER APTITUDE MAPPING**. The team of 'WonderSkool' will conduct a '**Career Profiling Test**' for every student. The Career Report will be discussed individually with every student and his/her parents.

Workshop 1 : Aptitude Test for Ideal Career and College Selection

Workshop 2 : Discussion on stream based careers, Colleges and profile building strategies

Workshop 3 : One to One Counseling Session on Career Report with students and their parents

Every student will receive Unique Career Profile Report and WhatsApp subscriptions for the updates from the experts from WonderSkool.

The total fees for the entire program is Rs.1000/- only. Kindly send your consent for opting this program for your ward to the class teacher, latest by 22<sup>nd</sup> July, 2024. For any query to contact the class teacher of your ward.

Educationally yours

**(J.K. Sidhu)**
