DAV PUBLIC SCHOOL
BRS NAGAR, LUDHIANA

Dear Parents

Greetings!

I wish to share that the school has been running **Sarvasv Tyagi Mahatma Hansraj Club** for more than 10 years now. Under this club school every year collects material from the students of various classes including ration, clothes, shoes, stationery items and toiletries etc. and sends these to **Arya Anathalya, Ferozepur.**

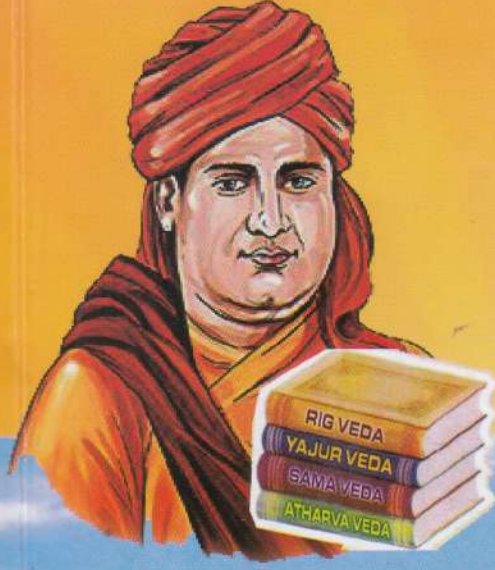

The Anathalya in its Annual Report (2024-25) has expressed its gratitude for the help extended by our students, their parents and the school. They strongly believe that such generous acts help the organisation like theirs and support the orphans under their care. All this has been possible due to the help rendered by the philanthropist parents, who have always stood by the school and have wholeheartedly supported various society outreach programmes of the school.

Your contributions are helping us in inculcating Moral and Social Values in the students and finetuning them to understand the problems of the world and do their bit to alleviate the sufferings of the downtrodden.

I thank you for your role and contributions and hope to get similar support in future as well.

With Profound Regards

J.K. Sidhu
Principal

Swami Dayanand & Arya Samaj

1 Swami Dayanand , born in 1824 in Tankara in Gujrat was a great reformer and path maker of present day India. He was a great saintly figure who weeded out many social evils and shaped the destiny of education in the country giving it the anglo-vedic outlook.

2 Swami Dayanand founded Arya Samaj on April 10, 1875 at Mumbai . Arya Samaj is a reformation movement revived to show clearly the Vedic morals and values of utmost importance is the need to be clear in one's own mind and be true with one-self.

The main purpose of Arya Samaj is the propagation of Vedic knowledge and eradication of ignorance and illiteracy.

Dr. Satnam Kaur

3 The Arya Samaj is not a cult or religion . It is a progressive way of life . The Arya Samaj aims at making man ' good human being' and also achieving the total development of his personality and character in equal measure, the social upliftment, physical development and spiritual enlightenment .

This is possible only through the spread of education especially of the ' girl child'.

It was with this objective that the education of girls started and several schools called , . Putri Pathshallas were established , there is one such girls school in Ferozepur Cantt: which was opened by Swami ji himself about the same time as the Arya Anathalya .

Arya Anathalya, Ferozepur Cantt since its inception in 1877 has served hundreds and thousands of lonely, forsaken destitute children , nurtured and educated them, each according to his capability and talent and imbued them with self confidence, means of livelihood ,and put them back into the mainstream of national life. Under the dynamic leadership of Principal Mrs. J K Sidhu DAV Public School BRS Nagar Ludhiana is one of the glorious DAV institutions in north India. The towering and magnificent building , the sprawling infrastructure , the flora and fauna, the staff and students are all a class apart.

Inspired by President Arya Rattan Dr. Punam Suri Ji, Padam Shree awardee , the school has constituted a club named Sarvasva Tyagi Māhatma Hans Raj Club which aims to provide all kinds of help to the underprivileged sections of society. The staff and students of the school are always busy in the project of sensitizing the young children of the school towards the down trodden people living near the poverty line .

Under the aegis of this club the school makes it a point to visit Arya Anathalya at Ferozepur annually and interact with the children offer them sweets and other eatables , as well as clothes , shoes , woolens , stationery items, and toiletries. Such a contribution is a great help for the orphanage because it supplements the income in the form of cash and kind . A few years ago the school donated a washing machine and some other appliances as well.
