

Circular No. P-37/25

Dated: 03.09.2025.

DAV PUBLIC SCHOOL

BRS NAGAR, LUDHIANA

**Dear Parents,
Greetings!**

I hope this message finds you and your family safe, healthy, and in good spirits.

As per the latest State Government directive, the school will remain closed for all classes from **4th to 6th September 2025**. During these three days, **online classes will continue as scheduled**.

We understand that some parents may face genuine difficulties such as health concerns, power outages, or water seepage at home. In such cases, kindly inform the respective class teacher, who will make a note in the attendance register. However, we cannot cancel online sessions for all students, as these revision classes are valuable for the majority. Our aim is to keep children meaningfully engaged during these unexpected holidays.

In light of the current situation, we are also making certain adjustments to the **Mid-Term Examination date sheet**. The revised schedule will be shared with you shortly. We sincerely request your patience and cooperation until then.

Thank you for your continued support and understanding. Please take care and stay safe.

Warm regards

Yours Sincerely,

Jaswinder K Sidhu
Principal
