Dear Class Teachers

‘Our mothers are walking miracles’ and a single day is not enough to say thanks to them for all the contributions they have made in our lives.

Class Teachers from classes III to X are requested to get greeting cards made for Mother’s Day tomorrow during the Club Meeting time or Zero Period to celebrate Mothers’ Day that happens to fall on 13th May, 2023 this year.

Students can compose poems in any language, write letter to their moms or write down some memorable anecdotes from their lives which make them feel nostalgic about their mothers’ love. This effort by the students will make their mothers feel special and will further strengthen the bond between the mother and the child.

Look forward to excellent work in the form of writings and art work dedicated to the super moms of the world.
