

Circular No. P-11/23

Date: 09.05.2023

DAV PUBLIC SCHOOL
BRS NAGAR, LUDHIANA

Dear Parents

Namaskar!

In continuation of Circular No. P/10 dated 05.05.2023, it is to bring into your kind notice that:

- School authorities are still finding **students of senior classes and the students being dropped by their parents** reporting late. This is being viewed very seriously by the class teachers, who keep on getting disturbed due to late reporting of students in the classrooms.
- You are once again requested to drop your wards well before time at the school gates, **otherwise the students will have to go back from the school gates.**

Please note:

- Parents coming to drop their wards and reaching late at the school gates should not compare themselves to the occasional late reporting of the school buses as these buses carry 30-40 students picked up from various locations and sometimes get caught in the traffic jam on the roads and so might get late. **Occasional late reporting of the school buses should not be viewed as an excuse by the individuals for reporting late.**
- In case there is no improvement in the situation, the school authorities may be compelled to impose some monetary fine to check late reporting of the students on daily basis.

We strongly believe that **persuasion is a better way than punishment**, so we seek whole hearted cooperation of the worthy parents to inculcate the habit of punctuality in the students.

Educationally yours

(J.K.Sidhu)
