BRS NAGAR, LUDHIANA

Dear Parents

Greetings!

At DAV Public School, BRS Nagar, we believe that true education goes beyond textbooks and examinations. In today's ever-evolving world, skills such as communication, creative, critical thinking and collaboration are just as important as academic achievement. With this vision, we are pleased to introduce the **Trinity College London Programmes** for our students of **Classes UKG to XII**.

Trinity College London, established in 1872, is a leading, internationally recognised awarding organisation and independent educational charity based in London, United Kingdom (UK). Recognised in over 70 countries, Trinity's globally acclaimed courses are designed to nurture essential life skills by building confidence, enhancing language proficiency, strengthening communication, and fostering effective learning strategies. These programmes support students throughout their academic and professional journeys, complement classroom learning, and help them grow into confident, expressive, and well-rounded individuals, ready to embrace global opportunities.

Programmes Offered:

- I. Young Performers Certificate (YPC) – Classes UKG-II**

- III. Communication Skills – Classes VI-XII**

To help you understand the structure and benefits of these programmes in greater detail, the school is organizing a **Parent's Orientation Session on 11th July, 2025**.
