Subject: Regarding Consent and Subject Choice – CBSE Second Board Examination (Class X)

Dear Parents
Namaskar!

In alignment with the recent guidelines we wish to inform you that CBSE has opened up submissions of LOC (list of candidates) desirous to appear in Second Board Examination.

Please review the eligibility criteria and instructions below carefully before providing your consent.

Eligibility Criteria

- **Improvement Opportunity:** All passed and eligible students are allowed to improve their performance in any of the three subjects out of Science, Mathematics, Social Science and languages.
- **Compartment Category:** For students whose result in the first examination is Compartment, such students are allowed to appear in second examination under Compartment Category.
- **Subject Consistency:** Subject changes are not allowed from the first examination to the second examination except as permitted per policy in the case of Mathematics.

Action Required

If you wish for your ward to appear in the Second Board Examination, please fill the attached Consent Form and submit it to the Class Teacher by 25th March 2026.

Please note that the choice of subjects for improvement is final once the LOC is submitted to the Board. As examination centres would be limited in number, hence, the examination centre might not be nearer and the same would not be changed once allotted by CBSE.
