

DAV PUBLIC SCHOOL
BRS NAGAR, LUDHIANA

Dear Parents

Greetings for the day!

Career Counselling Sessions were held for parents and students of classes IX to XII last month by **Mr. Ishlesh Bhaskar**, a Certified Career Coach from INPHASE Education Consultants, Gurugram and many parents had shown interest for conduct of Psychometric Assessment of their wards.

Keeping in mind the demand of the parents, the school proposes to conduct **Psychometric Assessment of the students of classes IX and X** through INPHASE Education Consultants. The result of assessment will help the parents to get an insight into the areas of interest, aptitude, personality and multiple intelligence of their wards. It will further help the students to plan their course of study and career options accordingly.

The above mentioned consultant firm has agreed to offer these Psychometric Assessments to the students of our school at a very nominal and competitive price.

The parents interested for the conduct of the test for their ward should give the **consent through the Google Form** below by **Friday, 08/12/2023, 10.00 am** positively:
