DAV PUBLIC SCHOOL
BRS NAGAR, LUDHIANA

Subject: Importance of Regular Study Habits and Mandatory 75% Attendance Requirement by CBSE.

Dear Parents
Greetings!

We would like to bring to your attention the critical importance of regular study habits and consistent school attendance in your child's academic development. The **Central Board of Secondary Education (CBSE)** has always kept it mandatory for students to maintain a **minimum of 75% attendance** in order to be eligible to appear for the Board examinations.

In light of this, we earnestly **urge you to ensure that your ward attends school regularly and does not miss school even for a single day**, unless absolutely necessary. Every day at school contributes significantly to their learning process, understanding of concepts, and overall academic performance.

We request your cooperation in helping your child build a disciplined routine that includes regular and punctual attendance in the school, and build a self-study schedule at home. Together, we can ensure that our students are well-prepared and confident as they move ahead in their academic journey.

Please feel free to reach out to us for any assistance.

Thank you for your continued support.

Warm Regards

(J.K. Sidhu)
